Dear Clerk,

Finance Workshop – 7th February 2019

7 – 9 pm, Howick House, Penwortham, Preston

This is a workshop designed to look more closely at finance for Parish and Town Councils. It has been arranged in response to requests from councillors and clerks who have attended the New Councillors and Clerks workshops. The New Councillors and Clerks workshops give an overview of various topics and interest has been expressed in looking at finance in rather more detail.

The workshop will cover financial regulations, the asset register, internal controls, the Internal Auditor and the annual return.

An application form is enclosed which should be returned to this office. There is likely to be a high demand for this course and places will be allocated on a 'first come first served' basis

Yours faithfully
