Minutes of the Virtual Parish Council Meeting
held on 2th July 2020
By Zoom
at 7.00 pm

Present

Apologies,

Declaration of interests- .

- 20/79. Public Participation.** (open forum on any village matter to last no more than 15 mins. 3mins per speaker).
- 20/80. Minutes** of the Zoom meeting held on 14th May 2020 for approval.
Matters Raised from the previous meeting:-
- 20/81. DJ Day**
- 20/82. Christmas 2020. A meeting was being arranged with Read Parish Council to discuss arrangements**
- 20/83. Civic Sunday.** To be considered at a later date.
- 20/84. Flower beds Simonstone Lane Blackburn Road.** Balfour Beatty usually reinstates site within 10 days of finishing work. They have been requested to reseed with wild flowers and daffodil bulbs and they have the contact details of the Parish Council in case they need further information.
- a. **Dog bins.** -Repositioning from last month. RVBC has been asked for their approval for the dog bin to be placed on the Carlton Avenue footpath 12-10-FP PROW access. The LCC officer has no objection to a litter bin being put in place as long as they don't have any responsibility for maintaining it. Cost of an additional bin at the entrance would be £140 plus £200+ a year for emptying. Relocating of the bin from Fountains Ave to Whalley Road adjacent to the Car Sales area.
RVBC dog wardens were opposed to moving a bin from the bottom of Haugh Ave as it was well used.
- b. **Lengthsman Scheme** – LCC has lodged £500 for Maintenance work required on PROW footpaths for grass cutting at the entrance, pruning trees and vegetation which impedes progress, and improving conditions underfoot ,etc. Work has to be recorded and towards the end of the year and a report of any works completed has to be forwarded to Sabden Parish Council so that a record can be forwarded to the LCC
It has been requested that the footpaths should be walked and any defects reported to the Clerk so that they can be forward to the County Council. In response to a question regarding Priddy Bank Farm PROW Footpath, a request had been forward for repairs to be carried out following the report at the last meeting of the Parish Council 20/76.
- 20/85. Read Parish Council** has requested a contribution towards the cost of laying a tarmac surface on the car park and the road to the allotments. The resurfacing work on the car park and allotment road has now been completed and as there are some Simonstone

residents who are tenants of the allotments, Read Parish Council asks if Simonstone Parish Council would consider making a contribution towards the cost of this. There are currently 12 allotment holders with addresses in Simonstone and 36 with addresses in Read. The cost paid by Read PC was £7350.00 to J. Lofthouse for the scraping of the car park and the scraping and resurfacing of the allotment road and £4056.00 to JW Ramsbottom Contractors Ltd. for tarmac surfacing of the car park area. Read Parish Council has asked both the Cricket Club and Read Motor Bodies to consider contributing, though neither of them has yet confirmed that they will contribute.

20/86. Martholm Greenway Cllr. Barker requested that a letter of support be sent for a modification of the Definitive Map at the link from Martholme viaduct to footpath 11 at Dunkirk Farm. An offer of trees had been accepted from Clitheroe Rotary Club and they would be planted in the Autumn. Volunteers have been requested to assist now that some of the Covid restrictions are being lifted.

20/87. RSVH- Cllr. McKinley report on progress

20/88. Highway complaint. Whins Lane. The Chairman reported that he had a meeting with a resident and forwarded the matter to the County Councillor responsible for the parish.
